- 7) **Test password:** Please log into your account at [首页--汉语考试网 \(chinesetest.cn\)](http://www.chinesetest.cn) to find your test password 1 day before your Mock test. You will need this password to access the exam. You also can ask the proctor for the password on the day of the exam.

The screenshot shows the login page of the Chinese Test website. On the left, there is a sidebar with exam rules. The main area contains a login form with fields for '准考证号' (Admission Ticket Number) and '密码' (Password). A red box highlights the '准考证号' field. Annotations in Chinese and English provide instructions: 'First, please test your Chinese input keyboard in the box' (with a blue arrow pointing to the field), 'Second, input admission ticket number and password', and '正式考试只填写“准考证+密码” 准考证号请仔细输入'. Another note says '提前检查中文输入法是否可以正常使用' (Check in advance if the Chinese input method can be used normally).

Before Starting The Test:

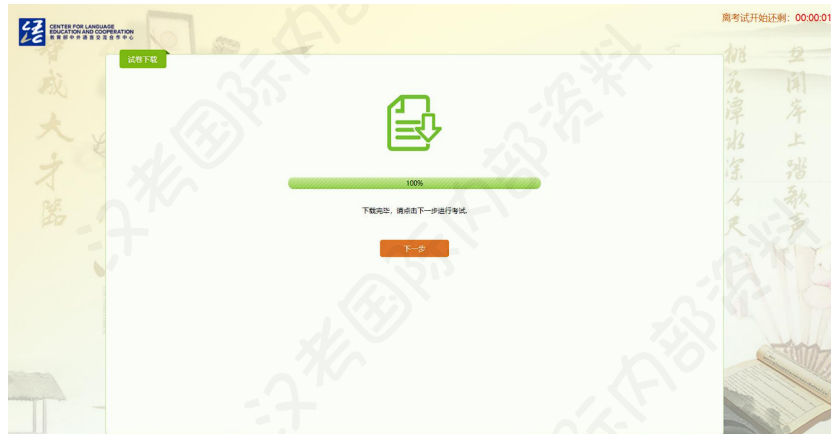

- 1) Place the mobile phone/tablet one meter behind you and slightly to the left or the right so that the proctor can see both the computer screen and you (as displayed below).

- 2) The proctor will undertake a 360-degree inspection of the test environment through the proctoring software.
- 3) You should ensure your mobile phone is connected to the Wi-Fi and have **airplane mode** turned on.
- 4) The mobile phone should be **fully charged** to ensure normal operation for the full duration of the test.

During The Test:

- 1) When everything is set up, you will see the screen below. Please download the test to continue to the starting page.

- 2) When you are finished with your test section, you will need to wait until the allotted time is up before moving on to the next section.
- 3) When you take the oral examination, please check that your sound is being recorded. The bar should show green if your sound is registered.

- 4) After you are finished with the examination, please wait until the allotted time is up. The testing software will log out by itself. Please stay seated until then.
